

Duration 3 - 4.5 years

Delivery This qualification is primarily delivered in the workplace. However the learner may be required to attend college workshops during the course.

About Management

A Chartered Manager is someone who can take responsibility for people, projects, operations and/or services to deliver long term organisational success, with the professional recognition of their ability to deliver impact, behave ethically and demonstrate their commitment to continual learning and development.

What will I study?

This is a dual award which will cover:

- Strategic management
- Project management
- Human resources management
- Global marketing
- Research business data
- International business
- Cross cultural management
- Managerial finance.

As an apprentice you will become an affiliate member of CMI and have access to member benefits.

Entry requirements

You will usually be expected to have A Levels or existing relevant qualifications, but other relevant or prior experience may also be considered. You should have qualifications in English, maths and IT at Level 2 or above.

Progression opportunities

After completing the degree you will be qualified to work in a managerial, professional or associate professional role.

Assessment

You will be assessed through:

- Regular on-programme assessment of knowledge, skills and behaviours, involving the employer and the University
- Development of a portfolio demonstrating learning and development activities, as well as their application in the workplace
- End-point assessment, reviewing their full achievements during the apprenticeship including:
 - review of portfolio of evidence
 - review of work based learning
 - presentation and interview
