

# Higher Education Courses at West Thames College

**High quality and great value for money courses to give you the skills you need that employers want.**

## Business & Administration

### Business HNC or HND

West Thames College Business and Administration courses have fantastic success rates. Our teachers use their industry experience to help you progress to university or employment.

You'll study work-related projects linked to current business practices and work on live briefs from real clients. Business courses offer outstanding work experience opportunities and industry visits.

As a business student at West Thames College, you will:

- ▶ Participate in enterprise challenges and competitions
- ▶ Take part in live projects with local businesses
- ▶ Improve your English and maths alongside your course.

## Higher Education at a lower cost

We proudly offer several Higher National Certificates and Diplomas (HNC/HND) which are highly valued by employers in the UK and overseas. An HNC is one year and an HND takes two years, with both offering you a chance to study a subject to make sure you like it before taking it to the degree level.

## Direct industry experience

Our students love the practical emphasis on our courses and our strong links with industry. Real-life briefs and projects, work placements, industry-sponsored competitions, and field trips are essential to our courses. You may also visit trade shows, galleries, museums, exhibitions, and relevant organisations in the UK, Europe, and beyond.

In today's highly competitive jobs market, this vocational experience is key to your success, as you will gain the essential skills that employers are looking for – which looks great on your CV and helps you stand out from the crowd.

## Fees & accommodation

Home students do not usually have to pay fees upfront. Your fees will be covered by a student loan and you will not start repaying this until after you have graduated and are earning a salary of over £26,575.

### Student finances

To cover the cost of studying if you can demonstrate that you are in financial hardship, you can apply for:

- ▶ A Tuition Fee Loan to cover your tuition fees in full
- ▶ A Maintenance Loan to help you with your living costs
- ▶ Extra financial support if you have a disability or children or adults who depend on you.

You may not have to pay tuition fees if:

- ▶ You receive state benefits and qualify for a concession
- ▶ You are aged 19-23 and do not already have a Level 2 or Level 3 qualification.

Living in London is exciting but it does come at a price. We recommend you start your accommodation search early as most specialist providers book several months in advance.
