

# How to Complain Policy

September 2025

## The Policy

At West Thames College, we take all concerns seriously. This guide explains how to raise a complaint - informally or formally, so that issues can be resolved fairly, quickly, and with respect for everyone involved.

# How To Complain

Any student (actual/potential), apprentice, or member of the public may use the college's complaints procedure. Complaints should be submitted as soon as possible after the incident. Complaints received more than three months after the event may not be investigated.

There are two ways to complain:

## Informal complaint

Discuss your concern first with your Student Learning Adviser (SLA), teacher, or another member of staff. Explain your concern and the outcome you are seeking. They will aim to resolve the matter at this first stage.

## Formal complaint

If your SLA, teacher, or another member of staff is unable to help you, you may wish to make a formal complaint. This leaflet explains how to do so.

## What happens when you make a complaint?

- Your complaint will be treated seriously and investigated thoroughly.
- You will receive a written acknowledgement within 5 working days
- You will receive a full written response within 15 working days, or an update every 2 weeks if further time is required.
- You will be provided with the reasons for our decision.
- Where a complaint is upheld, the College will apologise in writing and take steps to put matters right as quickly as possible.

**We reserve the right not to investigate complaints considered to be vexatious or malicious.**

## How to submit a formal complaint

Complaints should preferably be made in writing.

A College complaints form can be obtained from the Information Centre, Reception at the Skills + Logistics Centre, Student Services, or the Learning Resources Centre.

Student Services staff can guide you through the process, including how to complete the form.

You may also write a letter/email including your full name, address, enrolment number, course title, the facts as you see them, and the outcome you are seeking.

## Support with making a complaint

If you are a student or apprentice, your SLA, teacher, assessor, or a member of the Student Services Team can provide support in presenting your complaint.

## What happens to complaints?

Complaints are taken seriously at West Thames College. We keep a record of each complaint and we report on the number and types of complaint regularly to our Executive Team and to our Governing Body. We make sure that we learn from complaints that are upheld and that improvements are made to our systems wherever necessary.

## Appeals

If you are dissatisfied with the outcome of your complaint, you may appeal within 10 working days of the decision by writing to the Executive Assistant, outlining your grounds for appeal.

**Prunella D'Souza, Executive Assistant,**  
West Thames College London Road,  
Isleworth, Middlesex, TW7 4HS

If you remain dissatisfied after the College's appeal process, you may escalate your complaint to the relevant external body.
