

The Salon

Services & Treatments

Our professional salon is open to the public.

Treat yourself to a new hairstyle or beauty treatment for a fraction of the normal cost.

We use Milkshake for hair treatments and Eve Taylor for beauty services, both trusted for their quality and results.

**Call to make an appointment
020 8326 2201**

All clients must sign the West Thames College client policy before any treatment.

If you are unable to keep your appointment, please cancel at least 24 hours in advance so that students do not miss out on assessments.

Children under 16 are not permitted in the salon or in the reception area.

Client Policy

We welcome clients who wish to help our students achieve high levels of skill in hairdressing and beauty therapy.

We do not compete with professional salons or offer “cut price” treatments, our principal aim is to train students for a future career.

Client care

- All clients requiring chemical treatments such as eyelash tinting, eyelash perming, or hair colour and highlighting must have a skin test 48 hours before each treatment.
- You will be asked to complete a record card giving your full contact details. Relevant medical information such as allergies will also be recorded on this card during consultation.
- Your record card will be retained by the salon and information about your treatments will be updated after each visit. We respect your personal data and comply with all current data protection legislation.
- Please switch off mobile phones during your session.
- If you are dissatisfied with your treatment, please speak to the lecturer before leaving the

Children

- Children under 16 may not be brought onto college premises. Children over 16 may wait in the reception area.

Appointments

- Please attend punctually and phone us as soon as possible if you have to cancel an appointment.
- Clients who frequently cancel appointments will be removed from our client list. Refunds are not given for missed appointments that form part of a course of treatments.
- Sessions may be cancelled at short notice due to staff cover, student shortage or training sessions, however we avoid this if at all possible.

Client Policy

Treatments

- We have an equal opportunities policy at West Thames College and welcome students and clients from all walks of life. If you have a particular need, please discuss this with reception staff or lecturers and we will try to make appropriate changes.
- As this is a training establishment, treatments may take longer than in a regular salon. Most of our sessions are 3 to 4 hours long, and your treatment could take this long.
- Please do not embarrass staff or students by asking for a discount or to carry out extra treatments other than those booked.

Student and Staff Discount

- Students receive 30% discount unless otherwise indicated.
- Staff receive 25% off cut and blow dry services unless otherwise indicated.
- There is no discount on chemical and professional product services. If extra tubes of colour are used, the cost is £5 each.

Polite Reminder

- All clients must sign the West Thames College client policy before any treatment.
- If you are unable to keep your appointment, please cancel at least 24 hours in advance so that students do not miss out on assessments.
- West Thames College complies with the Data Protection Act 2018 and the Equality Act 2010
